

Probielle®

Balance

Nutritional supplement with two selected replication-competent bacterial strains for intestinal colonisation

Product information

Dear customer,

thank you very much for choosing Probielle.

Probielle Balance is a high-quality nutritional supplement with 10 billion select lactic acid bacteria per capsule. The bacteria are resistant to gastric acid and can proliferate in the intestines. Probielle Balance contains the following 2 strains:

Bifidobacterium lactis HN019™ and
Lactobacillus acidophilus NCFM®.

How to take Probielle Balance

The recommendation is to take 1 capsule per day with sufficient liquid, preferably with a main meal.

Notes:

Vegan, free from artificial colourants, lactose and glucose

Nutritional supplements are no substitute for a balanced, varied diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of the reach and sight of small children. Store in the original package in a cool place (below 25 °C) protected from light. The stated best-before date applies to a correctly stored product.

Ingredients:

Microcrystalline cellulose; hydroxypropyl methylcellulose; *Lactobacillus acidophilus* NCFM®; *Bifidobacterium lactis* HN019™; Separator: magnesium salts of fatty acids, silicon dioxide; Colourant: titanium dioxide

Composition	per capsule*
Bacterial strains (<i>Bifidobacterium lactis</i> HN019™, <i>Lactobacillus acidophilus</i> NCFM®)	10 · 10 ⁹ CFU**

*corresponds to the recommended daily dose

**CFU = colony-forming units

Available package sizes:

CPN 14046508 –
30 capsules (= 30 daily doses)
CPN 14046477 –
90 capsules (= 90 daily doses)

Date of last revision: April 2018

Only available from pharmacies!
